For Kulen, Caleb, and Clare,
along with all other babies
in a special corner of Heaven.

There once lived
three little girls
who laughed a lot.

They played a lot.

They sang a lot.

They danced a lot.

And they loved a lot.

They lived with their mommy
and daddy in a cozy house
in a cozy town.

It was perfect.

One day their mommy and daddy,
who adored each of them, told
them some very exciting news.
Soon, they would have another
person to laugh with.

And play with.

And sing with.

And dance with.

And love.
